

PRESS RELEASE

The Royal Australian Navy Veterans Band

From around Australia, the Men and Women of the Royal Australian Navy Veterans Band will gather in Melbourne in March 2017, for the 45th Anniversary of the release of the iconic Album "Blue Water Men" Released by EMI in 1972 to critical acclaim.

Blue Water Men featured well known Arrangers and Composers of the time and projected the Navy Band repertoire to a contemporary style not heard from a Concert Band Before. The Album also featured Jazz Great; Don Burrows who performed on many of the tracks and help create a unique sound that was "Blue Water Men".
