Hello from this our First letter to all Relatives and Friends of

HMAS Armidale 1st - December 1942

We want to use the period of time from now until 1st December 2022 80th Anniversary Memorial to be held in Armidale NSW.

Our object is to gather together, in 4 years time in Armidale NSW, to celebrate the 80th Anniversary of the sinking.

We intend to gather as many of the Relatives and/or Friends of the HMAS Armidale Crew to produce an attendance due to those who served in her.

I am **Peter Savill**, the Nephew of Arthur Peter [Peter] Knight - Stoker,

KIA 01/12/1942

In conjunction with **Angus Callander**, Son of one of the AIF Survivors Lance Corporal John Callander,

For those receiving this email, I would like to be able to forward your names and email contacts so that others can contact you, or ask of you for any request that may assist us in getting the maximum numbers for this Memorial.

I would ask that you send me your **YES/NO** reply so that I may add you to our list.

Your refusal will not be held against you, I know that privacy is a concern for some.

I intend to be very careful with contacts given and will endeavour to make sure that those wanting privacy will receive it.

If you have any contact with relatives of the Armidale, please send a copy of this to them so that they may in turn, contact me.

Our next email-letter will be forwarded after I receive the responses from this one.

Feel Free to ring me if you want any other information

Many thanks,

Peter
